To Master the Arts of War, one must follow the Straight and Narrow path. To assist you in this noble endeavor, the Barony of Dragonsspine is bringing together a number of instructors who have been leading the field of research in the medieval and renaissance western martial arts. There will be instruction both for **Rapier** and for **Armored** Combat.

One cannot fight well without weapons, armor, clothing, food, medicine, and the other fruits of the crafts; therefore, we will have classes in the **Arts** and **Sciences** of **peace**, and will hold our baronial **A&S championship**, with displays of exquisite adornment and functionality.

Finally, to be successful on the field of battle, one must have dynamic and energetic leadership. As Birgitta and Eric have dutifully served Their Barony and Beloved Crown, the time has come for a much deserved rest. Come join us as they are bid Farewell, and Their Successors ascend the Baronial Thrones to freshly assume Stewardship of Dragonsspine. To this end, we will likely have in attendance the Crown of the Outlands, and hopefully Their Successors, recent Victors of the September Crown Tournament.

Outlandish Herald Advertising Rates Are Changing!

Each group in the Outlands is still allotted 6 free Event Announcements for each calendar year (based on the SCA Fiscal Year). All Local and Kingdom Event Announcements are included in this allotment. Event Announcements for Known World events are not included.

After the 6th published event announcement, advertising rates will apply. Each group will be invoiced at the end of each quarter by the Kingdom Chronicler rather than yearly as previously stated. The Kingdom Chronicler will be back billing for 2004 and 2005 (using the old advertising rate system established in May 2004) November 2005. This new advertising pricing structure will take effect with the November Outlandish Herald.

The new event advertisement rate is based on the size of the group submitting the ad and not the size of the event advertisement as published in the Outlandish Herald. This should allow groups to better plan for their advertising costs as the size of the Event Announcement printed in the Outlandish Herald may not reflect the actual size the group planned on based on available space in the OH and other factors.

The new advertising rates after the 6th event announcement::

All Baronies will be charged $50.00.
All Shires will be charged $25.00.
All Colleges, Cantons, Incipient Colleges and Incipient Cantons will be charged $15.00.
All Known World Event Announcements will be printed on a space available basis.
All business advertising will be charged $25.00, will be printed on space available basis and must be approved by the Kingdom Chronicler.
